Principal's Message:

Spring officially arrived over March Break and it appears that the grass is starting to turn green and the temperatures are warming up.

Report cards go home on April 7, and Parent Teacher/Student Led Conferences are being held on April 14. We hope everyone will be able to attend.

We held our Primary Registration on March 30th, it was a huge success. We registered nearly 40 new students and suspect we may see some more new faces over the summer as families move in. It is exciting to see St. Mary's Elementary School grow.

As we move quickly into Term 3, thoughts turn to class trips and other upcoming school events. I'd like to remind parents/guardians once again to complete a volunteer application form if you haven't already done so. If you hope to help out by chaperoning a class trip this application will have to be on file and approved before you can help out. Forms can be picked up at the school office or can be sent home with your child.

Happy Spring,

Mike Pinard, Principal

Volunteering:

Please note all potential volunteers must be screened through Police Records and Child Abuse Registry checks every three years. You may check your current status or pick up the forms at the school office. To see the AVRSB policy on Volunteers in the Schools, please go to avrbsb.ca/content/policies (Policy 305.14).

Great Results!

We had 8 students attend the Regional Science Fair! Congratulations to Lance Hiltz, Evelyn Cook and Cameron Franey for receiving medals!!

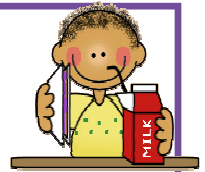

Primary Registration: If you have child at home

or know of child that will reach their fifth birthday on or before December 31, 2016, please send a note to the school or give our school office a call.

New Playground Committee Needed:

Our Playground equipment over the next few years will be ending it useful life and will need to be replaced. Our Home and School have started the conversation and some fundraising. We would like to create a Playground committee to help decide on what equipment we would like to purchase and oversee the fundraising for the equipment. If this is something that you would be interested in helping out with please contact the office. We hope to set a meeting for some point in March to start things rolling.

There will be a meeting on **April 11th at 3 p.m.** inviting anyone that is interested in this project to attend. If this time is not good for you but still wish to be involved, please call the school.

Aylesford and District Lions: Breakfast and Spring Fling,

April 9th. 8 a.m. to 3 p.m. Come out for a great Breakfast 8-11 a.m. featuring: eggs, hash browns, beans, ham & sausage, tea & coffee and stay for the Spring Fling until 3 p.m. 50 vendors will whip you into a feverishly spring feeling.

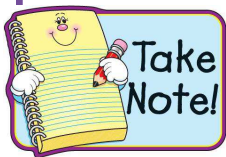

Lost and Found: Our

Lost and Found is overflowing. If your child is missing items please check our lost and found box. We will put the items on display during Parent Teacher on April 14th and after that we will be donating to charity any unclaimed items.

we will be donating to charity any unclaimed items.

Parent Teacher/Student Led Conferences :

Afternoon of Thursday, April 14th .

Student of the Month Awards: Congratulations to our **March** award winners.
